

Helping LC Packaging to become the packaging industry's sustainability leader

The Challenge

Recyclability, quality and safety are a key area of focus in the industry.

After being awarded a Gold medal in 2019, the company wanted to maintain the level of sustainability in line with this EcoVadis score in 2020.

The Solution

Nexio Projects was selected as the most knowledgeable partner to help complete the EcoVadis assessment.

Revision and KPI reporting were the main themes for the project.

The outcome

- ✓ Optimization on all fronts led to an increase in the company's score and a Platinum medal.
